

Google Classroom

Here's what Google says about Classroom...

"More teaching, less tech-ing"

Classroom is available to anyone with Google Apps for Education #GAFE, a free suite of productivity tools including Gmail, Drive and Docs.

Classroom is designed to help teachers create and collect assignments paperlessly, including time-saving features like the ability to automatically make a copy of a Google Document for each student. It also creates Drive folders for each assignment and for each student to help keep everyone organized.

Students can keep track of what's due on the Assignments page and begin working with just a click. Teachers can quickly see who has or hasn't completed the work, and provide direct, real-time feedback and grades right in Classroom." Read more -

Getting Started

1. Log into your TPS Google Apps for Education as usual (5x2@k12.tulsaschools.org)
2. <http://classroom.google.com> (or Download the Classroom App from the Google Store)
3. Select whether you are a teacher or a student, then create a class. **Teachers - be sure to select Teacher and not Student.**

Google Classroom

Notice the  sign by your name, this is where you create a new class or join a class using a class code.

Enter class code to join.

CANCEL CREATE

To Join a class, enter the Code given by the Class owner
 The STC Classroom code is: **z36ipz**

To create a class, simply give it a name and if applicable, add a section number.

The screenshot shows a user interface for course management. At the top, there is a navigation bar with a hamburger menu icon, the word "Home", and a user profile section with a plus sign and the email address "samantha.reid@tulsaschools.org". Below the navigation bar, there are two course cards. The first card is titled "Tulsa Classroom Session ..." and features a profile picture of Amy Mayer. The second card is titled "Site Tech Coordinators" and shows "1 student". Both cards have a section for "UPCOMING ASSIGNMENTS" which currently shows "No assignments". At the bottom of each card is a small document icon. A "View Course" button is positioned to the right of the "Site Tech Coordinators" card. Red arrows point from text labels to specific UI elements: "List View" points to the hamburger menu; "Course I belong to" points to the "Tulsa Classroom Session ..." card; "Course I am teacher of" points to the "Site Tech Coordinators" card; "Add or Join Course" points to the plus sign in the user profile; "View Course" points to the "View Course" button; and "Course documents" points to the document icons at the bottom of the course cards.

The banner features a background of colorful bokeh lights. On the left, a red arrow points to a hamburger menu icon. In the top right corner, the email address 'samantha.reid@tulsaschools.org' is displayed with a dropdown arrow. The title 'Site Tech Coordinators' is centered. Below the title are three white boxes: 'Stream – Discussion Board/ Announcements', 'Students- Students in Course', and 'About – Class info, Important Documents, Email'. On the right, a red arrow points to a 'Change class theme' link. At the bottom of the banner is an orange navigation bar with the words 'STREAM', 'STUDENTS', and 'ABOUT' in white capital letters.
